Dear Generac Customer,

Thank you for purchasing a Generac manufactured Home Standby Generator. We are excited to bring you this product and trust you will be added to our list of thousands of satisfied owners of Generac products.

We at Generac would like to show our appreciation by offering TWO \$50.00 referral rebates. If you recommend any of our standby generator products to a family member or friend and that person purchases one of our many systems, we will mail to you a check for \$50.00 and the customer you referred a check for \$50.00. All that we need in order to make it happen is a copy of this completed referral coupon and a copy of the sales receipt for the generator purchased by your referral. We will not limit the number of referral rebates you can receive either. Give away as many of the coupons as you like. We'll keep sending the checks for as many new purchases as you can secure.

Thank you again for purchasing one of our products.
